### **Report**

**2016-17**

The convener of the committee Dr. P. Usha Shri welcomed the parents and informed that parents meet is a regular feature at St. Ann's. It is the goal of the faculty to work with the parents to create a rich learning environment for the students. The success of the students is a shared responsibility of the faculty, Parents and the students.

The controller of examination, Mrs. Radhai explained the parents about the credits and grades that would be given to the students in their mark list instead of marks. She enlightened the parents about continuous assessment, end semester exams, evaluation pattern and award of degree to the students by university and the college.

Mrs. Mahitha, Dean Student's affair talked to the parents about the importance of attendance. She also asked the parents to encourage the students to participate in all the events conducted within the college and outside the college.

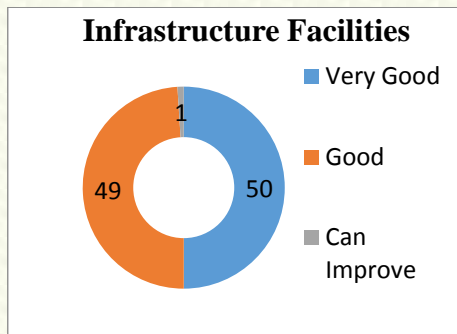

The meeting was very interactive and the parents asked a number of question and gave suggestions. Some of the suggestions were –

- To send SMS on the same day in case student is retained in the college after college hours
- Taking the students to Field visits to corporate offices so that they will learn to mingle with people and society
- Parents asked to use chalk board instead of using only PPT presentation in the class for one or two subjects
- Parents also suggested to increase the number of seats in SOC courses
- Organize summer training programs

The parent's meet began on a very encouraging and enlightening note addressed by our sister Principal Dr. K. Anthonamma, The convener Dr. Ms. Radha from the Dept. of Chemistry spoke about how interaction with the parents helps us in the overall growth of the student and this is one of the regular features at our college.

The parents also were very supportive and gave an immense response. Their suggestions were also very helpful for the future endeavors of the college.

Parents acknowledged the college and its faculty for their daughter's academic progress and active participation in all the extracurricular activities.

One of them suggested that apart from the lectures and the mentors there should be a third person assessing the student's skills and activities.

They also wanted the college to provide a platform for various art forms such as painting, sketching etc., and for these skills to be enhanced we already have various certificate courses that take care of these skills

The college management is really grateful and acknowledges the immense response of the parents that they had taken their time off from the busy schedule to make it for the meet.

We will definitely take into account all the valuable inputs and suggestions given by the parents.

We look forward to more interactive sessions at regular intervals in the near future.
