The activities carried out by the ICT Centre during 2021-2022

1. ICT provided technical assistance in organizing Convocation ceremony - May 2022
2. Organized an NDLI User Awareness session in the month of April in collaboration with Dept. of Library and Information Sciences
3. Major updates carried out by the ICT with the addition of new tabs and content in college website
4. Engaged in regular posts on various institutional social handles like Instagram, Twitter, Facebook
5. Providing technical support in conduction of all the events organized by IIC
6. St. Ann's Management information System being developed in collaboration with Department of Computer Science
7. Provided technical assistance in the conduction of virtual orientation program for first years
8. Provided technical support for Academic council meet , IQAC external meeting , General Body meeting

NPTEL-National Program on Technology Enhanced Learning:

- ICT provided assistance in creating awareness on NPTEL to both students and Faculty.
- Faculty members who registered for online courses successfully completed the courses with Elite Division, with one faculty member receiving a Gold medal and another ranking among the top 5%.
- Students who completed the NPTEL courses will receive additional credit in their final year.

Digital Announcements:

- ❖ The events organized in the campus by all the departments are screened on Digital Display Units located on different floors of the campus.
- ❖ Consistently posting the information about National/International events on the college website
- ❖ Upgrading and updating the institutional information on the college Website
- ❖ An exclusive mobile application has been developed to :
 - Send SMS alerts on important events
 - Post Class time tables and Examination time tables
 - Post the allocation of Examination rooms along with Seating arrangement semester wise
 - Share the Student Hand book
 - Link to Facebook page hosted by the institution
 - Access the e-resources available
 - Link to College Youtube channel.

Live streaming:

Most of the college events are live streamed by the ICT. Few of them are Convocation ceremony , all events organised by IIC, webinars conducted by various departments and so on
