2. CR – To equip the students with a basic awareness of essential skills requirements in a professional environment.

Summary: The Finishing School Course aims to equip women students with essential training on all aspects of communication and soft skills to make them industry-ready. This report highlights the various activities conducted during the course to enhance the students' communication and soft skills. The hands-on experience provided to the students included group discussions, debates, and mock interviews, along with other activities focused on developing their interpersonal abilities and professional acumen.

1. Group Discussions: Group discussions were organized regularly to encourage students to share their ideas, thoughts, and opinions on various topics. These discussions fostered effective communication, active listening, and the ability to present well-structured arguments. The topics ranged from current affairs to industry-specific issues, providing the students with a well-rounded exposure.

2. Debates: Debate sessions were conducted to enhance the students' critical thinking and persuasive communication skills. By engaging in debates on relevant topics, the participants learned to articulate their viewpoints effectively, consider counterarguments, and develop skills to think on their feet.

3. Mock Interviews: Mock interview sessions were organized to simulate real-life job interviews. Students received constructive feedback on their communication style, body language, and overall presentation. The goal was to improve their self-confidence and interview performance, preparing them for success in their future job search.

4. Role-Playing Exercises: Role-playing exercises were conducted to help students develop empathy and understanding of different perspectives. These activities included scenarios such as conflict resolution, customer service interactions, and team dynamics. By stepping into different roles, students learned to adapt their communication style to specific situations.
