4Septem berHealth centre organized a guest lecture on thyroid disorders for Faculty and students by Dr.Thrivikram.S. MD,		Health centre organized a guest lecture on thyroid disorders for the Faculty and students by Dr.Thrivikram.S. MD,	
5	Octobe r		
<mark>6</mark>	Decem ber	Health centre organized a Guest lecture by Dr Dedeepya Reddy on the topic" Anti ageing for staff and students".	
7	March	Health centre in collaboration with Vijay diagnostic centre conducted a free health camp in the following parameters, exclusively for staff and their family members on 22 <sup>nd</sup> March.	

Phone: 040-23513020

Family Welfare Minister

To work towards "Avoidable Blindness Free Telangana", the Government has decided to take up universal eye screening by covering the entire population of the state under the name "Kanti Velugu".

The objectives of "Kanti Velugu" are (i) to conduct eye screening & vision test for all citizens of the state (ii) provide spectacles free of cost (iii) arrange for surgeries and other treatments free of cost (iv) provide medicines for common eye ailments (v) educate people on prevention of serious disabling eye diseases.

With 10 member team an eye camp was conducted at the health centre for two days from 8:am to 4:00pm.Around 300 students and staff were screened for ocular problems covering refraction errors, cataract, Vitamin A deficiency, eye infections, glaucoma, corneal disorders and diabetic retinopathy.

It was also a community service where people from in and around Mehdipatnam and the Parents have availed the facility.

#### DEPARTMENT OF BOTANY

#### BONSAI REPORT 2018-19

The Department of Botany organized a demonstration class on Bonsai on 15 Dec 2018 for the second and final year students to create interest in the students to learn the technique of bonsai. Mr. Govind Raj a specialist in Bonsai training was the resource person. He explained the different types and styles of bonsai, plants that can be easily grown as bonsai. He also explained about the nutritional requirements of the plants and how to supply water and nutrition to the bonsai plants. Other procedures like training, pruning, wiring, cutting, repotting were well explained. The students were happy to be a part of this learning process and were eager to know more.

### VEGETABLE CARVING

#### 2018-19

In order to nurture the culinary skills in the students, Department of Botany conducted demonstration classes on Vegetable Carving on 4<sup>th</sup> & 18<sup>th</sup> August 2018. The Resource Person was Mr. Ramakrishna Raju from Agri Horticulture Society who is popularly known as chef raju garu. Around 33 students have enrolled for the demonstration class. Information on the selection of vegetables and fruits was given. Vegetables like carrots, beetroots, radish, gourds, spring onions and watermelon were used. He showed in detail how to carve & how to handle the instruments for cutting and chopping vegetables & fruits. The students enjoyed the classes and developed the confidence of handling instruments.

## Mushroom Cultivation Report

### 2018-19

As a part of departmental activity a demonstration class on musbroom cultivation was conducted on 15.02.19 for the final year students of BZC. The theory information was given by Mrs.P.V.Neeraja on different aspects. A power point presentation was shown which elaborately explained various aspects of musbroom cultivation like what are musbrooms, their structure, types, and nutritional value of musbrooms 'how can they be differentiated from poisonous musbroom. In continuation with the theoretical part a demonstration session on cultivation of musbroom was conducted. Information regarding spawn sterilization of grass, size of polythene bags to be used during the cultivation procedure was discussed. It was an interactive session & students were excited to know about the practical part. Students were made in to groups and were asked to prepare a spawn cultivation bag they were to check these bags after 15 days for the growth of musbrooms.

### **Report on Guest Lecture on Life skills (Leadership and Entrepreneurial Skills)**

Name of the Department: English

Title of the event: Guest Lecture on Life Skills (Leadership and Entrepreneurial Skills)

Date: 16<sup>th</sup> August 2018

Venue: St. Joseph's Auditorium

Target Group: BA, B. Com, BBM & B.Sc. III Year Students

**Objective:** Primary objective of this session is to build self-confidence, encourage critical thinking, foster independence and help students to communicate more effectively.

**Summary:** The guest lecture focused on Life Skills (Leadership and Entrepreneurial skills). Guest speaker were Mr. B. Nagesh and Mr. Hanu B Krishna. The development of life skills helps students to find new ways of thinking and problem solving, analyse options, make decisions and understand why they make certain choices outside the classroom, build confidence both in spoken skills and for group collaboration and cooperation. Their main focus was on communication, delegation, team work and decision making which play a very important role in enhancing leadership skills. The speakers have enlightened the students through a very informative session on life skills.

### **Outcome:**

- 1. Students got a clear insight into life skills which focuses on leadership and entrepreneurial skills.
- 2. They got aware what is importance of life skills such as communication, team work, decision making has in one's life.

## 6. COC- BAKING TECHNIQUES

### **REPORT BY THE COURSE COORDINATOR**

COC Baking techniques is a two semester course for IIyr students which is designed to enable the students learn the basic techniques and science involved in baking and also about the various bakery products preparations.

This course was started by the Department of Nutrition for students of III rd & IV semester in the year 2016-17. In the current year 2017-18, 40 students from various streams have enrolled in this course. A total of 26 classes were conducted in the IIIrd & IV th semester, out of which 10 theory and 15 practical sessions were held.

During the course the students gained the basic knowledge of baking. They also learnt about the importance & usage of all baking ingredients.

The course also dealt with the practical demonstration of many bakery products such as various types of cakes, biscuits, doughnuts, pizza etc and the students were taught about the various equipments used in baking , baking problems & solutions & also about the types of icings used in baking.

The practical classes was taken by Mrs Shahnaaz Saleha, who was the course resourse person & she holds nearly 20 years of experience in the field of baking. Apart from showing the preparation of various baking recipes, she also demonstrated various techniques involved in baking.

At the end of the course, assessement of all students was done by the course coordinator i.e Mrs Urooja Birjis Fatima & also by the resource person-Mrs Shahnaaz Saleha. For the assessment each student prepared one recipe learnt by

them during the course.Marks were allotted , based on the attendance, record & preparation of any bakery product.

The students responded very well to the course as they gained the experience of various baking techniques and also got to know about the various bakery products.

This course is well accepted and appreciated by the students as many of them has tried the recipes at their home. It has ignited a spark of entrepreneurship in most of the students.

### FEEDBACK FROM STUDENTS & RESOURCE PERSON

At the end of semester, feedback was taken from the students as well as the resource person. Analysis of the feedback was done & it revealed that almost all the students had found the course to be good & satisfactory. Most of them are willing to take up any such baking course in the future & also aspired to develop this hobby. Some of them suggested, to incorporate field trips in the course curriculum & also requested for an extra oven.

A positive feedback was also received from the resource person –Mrs Shahnaaz Saleha. She found the curriculum to be adequate & the course had met all the objectives. Suggestion for an additional oven was requested to save the time. She appreciated the students attitude & response towards the course.

### COC Report on CULINARY TECHNIQUES

### **Report by the coordinator**

7.

IIII:

A career oriented course **culinary Techniques** was started by the Department of Nutrition for students of III rd IV semester in the year 2016-17.In the current year 2018-19, 39 students from various streams have enrolled in this course. A total of 23 classes were conducted in the IIIrd & IV th semester, out of which 9 theory and 14 practical sessions were held.

During the this semester the students got trained and received academic instruction on how to apply the knowledge and skills necessary for entering the catering Industry at a level allowing for continuing education and/or life-sustained employment.

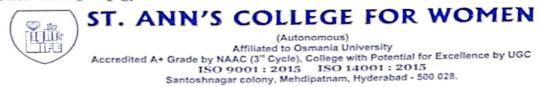

As a result of instruction, students were able to know, comprehend and apply theoretical knowledge into practice. Apart from learning various methods of cooking and preparation of dishes from different cuisines, students have also learnt appropriate safety procedures and precautions necessary to successfully participate in cooking at home and in catering industry.

During this course the students have learnt skills to practice time management and gain knowledge regarding costs of commodities in the market. They also learnt various cooking techniques and terminology used in cooking.

Students had a wonderful chef and guide in Mrs. Deena Ruparael of Nestle India Pvt Ltd, who is our resource person from the industry. She has more than 13 yrs of experience in the FMCG industry. Apart from demonstrating recipes she also imparts education on appropriate food safety/sanitation procedures & precautions useful in a kitchen setting. She has also imparted knowledge on, table setting, etiquettes and handling of kitchen equipment and technology necessary to participate in culinary skills.

The final Assessment of this course was conducted on 13<sup>th</sup> march 209 by Mrs Deena Ruparel and Ms Varsha who was also a resource person from nestle and Course coordinator Ms Nasreen Begum. The students performed exceptionally well and their efforts were appreciated by Nestle India Pvt Ltd and all the students were given gifts and complementary aprons besides judging 3 best recipes which were awarded with gift hampers.

#### Phone: 040-23513020

### Feedback from Students & resource person

A feedback was taken from the resource person and the students, the detailed analysis of the feedback stated that nearly 98% of the students felt that this course was beneficial to them and they would love to take up entrepreneurship if given a chance. During this course the students gained knowledge in the practice of food preparation skills and nutritional importance of various foods and how good and healthy food preparation impacts one's health positively. This course is well accepted and appreciated by the students.

The resource person for this yr Mrs Deena Ruparael from Nestle India Pvt Ltd gave a very positive feedback about course and she agreed that it met the course objectives. She was fascinated by the enthusiasm of the students and their willingness to lean culinary techniques. She says that she would like to involve more students in preparation of recipes so that students can gain hands on experience.

COC – NUTRITION AND FITNESS 2018-19

The Course commenced in July 2018 with an objective to introduce to 'Fitness' and Nutrition' and the time period given to complete the syllabus was 60 hours. After the syllabus was compiled by Ms. Charmaine Paul (Fitness Instructor) it was approved by Ms. Meena Kumari (Head of Dept of Nutrition)

### THEORY

The course consisted of the following topics:

a)Fitness Standards and Guidelines

b)Yogasanas and Pranayama

c) Dance Aerobics and Zumba

d) Anatomy and exercises with gym equipment

e) Nutrition

Separate classes were taken for theory and nutrition with the assistance of the text book and PPT presentations on different topics.

### PRACTICALS

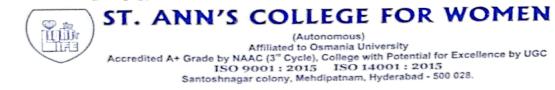

In the practical segment the students learnt, practiced and gave demos of warm up, cardio work outs, aerobics, zumba, strength and endurance exercises (calisthenics, plyometrics, dumbells, free body exercises, pilaties, kickboxing mat exercises), voga, stretches and cool down sessions.

Additional Practical sessions were held in the college gym for better understanding of gym equipment and its use as and when required.

PROJECT ON ROLE OF FITNESS AND NUTRITION IN TODAYS LIFE STYLE

The students were required to prepare a project by taking a survey of at least five individuals and the role of fitness and nutrition in their daily life and prepare a synopsis of the same.

### EXAMINATION

The students were evaluated on the basis of attendance, participation, project, theory and practical knowledge.

Special examination formats were followed so that the students are fairly evaluated.

The students appeared for both a theory and practical examination and marks were distributed in the following manner.

THEORY : 15 Marks.

PRACTICALS : 10 Marks.

INTERNAL : 15 Marks. (attendance and participation)

PROJECT : 10 Marks

The students were prepared for the exams by taking written and oral tests after every chapter and on the day of the exam a special revision session was held for the theory part and a mock practical exam was held for the practical examination before the Final Evaluation.
