Dear Prof. Kirti

Thank you for your prompt confirmation.

Based on our conversation, I confirm the BSE - Capital Market Awareness Program on 23rd July, 2019 (Tuesday) at 10.00 am for your Final Year MBA students

I would be mailing the Speaker's Profile, Power Point Presentation (PPT), Letter and Attendance Sheet Formats to you on Friday.

Please find below the Details of the Program:

As part of the BOMBAY STOCK EXCHANGE's Initiative to spread CAPITAL MARKET AWARENESS, its Investor Protection Fund (BSE-IPF) has mandated our company, LOTUS KNOWLWEALTH (LKW) as its KNOWLEDGE PARTNER to conduct an Investor Education Program of a duration of 90 minutes & Q&A at the premises of Graduate and Post-Graduate Colleges (all Disciplines).

The Program will be conducted at the College premises for a minimum of 45 and maximum of 75 participants per program. Multiple programs can be conducted over time by LKW to cover all students mandated by the college to benefit from this Program.

As part of its mandate, LKW will conduct these Programs at **NO COST** to the College and it will benefit the students in terms of enhanced Capital Market Knowledge and Awareness as well as the ability to make more informed Investment Decisions.

The topics covered in this Program will be :

- 1) Capital Market Awareness & Equity Investing
- 2) Introduction to Mutual Funds and Financial Planning

We request you to share the convenient dates where one of our team members can come down to your campus and conduct the Program.

A record of the Colleges that facilitate this Program will need to be provided to the BSE-IPF. We will thus need the College to certify each Program that is conducted at its premises and facilitate a couple of photographs of the Program being conducted, besides providing a copy of the Original Attendance Sheet (the format of which we shall provide 2 days before the session), filled in fully, duly stamped and signed.

Please note that this is an Investor Awareness Initiative and its use for any form of promotion / publicity by either LKW or the Educational Institution is expressly prohibited.

As the Program is a funded initiative there will be **NO COST** to the college. These programs have been simplified enough for graduates as well as non-finance students to understand and benefit from.

About Lotus Knowlwealth (LKW) :
