About MCA Department:

The department was set up in 1991 with an annual intake of 30 students and subsequently enhanced to 60. Over the years, the department has established well-equipped laboratory with internet facility and excellent library. It offers an excellent academic environment to boost complete personality development, increase the capabilities and confidence of both the teachers and students to take up the challenges of the dynamic socio-technical world. The department has organized various activities such as seminars/workshops/guest lectures/field trips to upgrade the technical knowledge and to get the real time exposure.
