Action Taken Report

2019-2020

- Based on the feedback, an effort has been made to make the students understand the importance of adding COC, SOC, CCA in the curriculum.
- The college makes sure that the feedback of the students at the entry level is taken from every fresher so that it can improve in the areas where the students do not have a positive response.
- Programs, especially Faculty Development Program have been conducted to improve the relationship between teachers and students based on the feedback given by the students.
- The collection of the library is also being updated based on the recommendations given by the students as well.
- Training/internship has been provided to the students according to their interest areas so that they are groomed when they face an interview.
