ABOUT COLLEGE

St. Ann's College for Women (Autonomous), Affiliated to Osmania University Re-Accredited by NAAC with 'A+' Grade (CPE by UGC), ISO 21001: 2018 Mehdipatnam, Hyderabad. St. Ann's College for Women was established by the congregation of the Sisters of Society of St. Anne - Hyderabad, with a vision to empower the girl student with academic excellence, skill enhancement and value enrichment. Since its inception in 1983, it has grown into a full-fledged institution with over 30 UG and PG programs catering to 3500 students with 130 faculty members. The college was reaccredited by NAAC with A+ Grade "College with Potential for Excellence" (CPE) by UGC and has also been conferred 'Autonomous' status in 2015. The institution has always maintained high academic standards and ensures a conducive learning environment with necessary infrastructure. Envisaging a holistic education, a plethora of choice based curricular and extra-curricular activities are offered to enhance their employability skills. The accolades are a testimony to the growing reputation of the college as a leading Institution of higher education in the state of Telangana.

ABOUT IQAC

The Internal Quality Assurance Cell (IQAC) at our institution embodies a visionary approach towards fostering a culture of continuous quality enhancement. With a focus on innovation, ideation, and internalization of quality culture, IQAC aims to be the 'Quality Connect' within our academic community. By strategically planning and prioritizing quality goals, leveraging strengths, and building new competencies, IQAC plays a pivotal role in driving academic excellence and institutional growth. Through strategic collaborations, development of benchmarks, quality systems, and documentation of activities, IQAC ensures transparency, reliability, and accountability in our pursuit of excellence. Engaging stakeholders through feedback mechanisms, interactive forums, and promoting holistic development aligns with our mission to create globally competent individuals grounded in moral, social, and spiritual values. IQAC acts as a catalyst for change, empowering autonomy and decision-making freedom while maintaining a focus on continuous improvement and quality assurance across all academic and administrative domains.

ABOUT SEMINAR:

The "Digital Teaching-Learning Strategies: Advances and Challenges" national seminar is a transformative platform designed to equip educators with the latest insights and strategies for navigating the digital landscape in education. Led by renowned industry experts, this seminar delves into the value of incorporating digital technologies into modern education and provides expert training on student-centric digital curriculum design. Participants will gain a deeper understanding of the advances in digital teaching-learning methodologies, along with insights into addressing associated challenges effectively. Key topics include content understanding, technology proficiency, and pedagogical strategies tailored for online education. This seminar promises to be a pivotal learning experience for educators seeking to enhance their teaching practices and stay abreast of emerging trends in education technology.
