

CHEE'rs Club Report
(Commerce House Of Emerging Entrepreneurs)
2018-19

The CHEE'rs Club is an integral part of the Commerce department which emphasizes on entrepreneurship and managerial skills and how to enhance it among students. The club continuously strives to surpass the standards of competitions conducted by it trying to make it more innovative and interesting for the students. And keeping the theme of the year in mind, the CHEE'rs Club had organized the following competitions and activities to help the students enhance their knowledge and perk up their competitive abilities.

Activities Organised:

July 3rd 2018- Corporate Dictionary

On 3rd July, The first event of the year was conducted which was corporate dictionary which had a huge participation with a number of 40 teams. The competition was about the students finding words which were interpreted in pictures of two or more. The teams found it interesting and enjoyed the thrill in answering the questions under a time crunch and in between buzzer rounds.

Enthusiastic Participants of Corporate Dictionary

July 14th 2018- Outreach Activity

On July 14th, the Cheer's Club put up stalls of Shantiniketan and Pochampally for the students and the teachers which included handloom sarees, textiles and handmade bags and files in the college premises.

December 20th 2018- Jamboree'18

As the long anticipated Annofesta arrives, the Cheer's Club is also deliberate with its competitions for the students of ST. Ann's and the other colleges as well. This year the club had two competitions up its sleeve which was 'Biz Chetionairre' and 'Ink It!' (Poster making on Mission 2020) which had teams from other colleges also participating.

The first prize for Biz Chetionairre was bagged by Rishitha and Shiva Deeksha (RBVRR College) and the first prize of Ink it! was bagged by Ayesha and Arshad and Divya of B.com II Year.

JAMBOREE 2018 - Prize Distribution Ceremony

January 18th 2019- Outreach Activity

The last and the final activity of the year was a 2 hour long visit to the Pochampally handloom factory where the process of the Pochampally textiles was explained by the regulator of the factory itself. There were 50 students who visited the place and had shown enthusiasm and interest towards the making of this traditional form of art.
