ST. ANNS COLLEGE FOR WOMEN, MEHDIPATNAM,
HYDERABAD

JOURNEY 2023- 24

Inside of insights

Activity Organized

- Extension Lecture
- Seminar
- Oritention Session
- Workshop
- Alumni Session
- Staff Activity
- FDP
- Binary code club
- Awards
- Code club

Vision:

- Ubiquitous Computing

Mission/ Motto:

- “Networking of Intelligence and Talents in Making a World of Difference”

Objectives:

- To introduce youth to revolutionary technological changes by laying a very strong foundation.
- By restoring the talents and maximizing the knowledge and upgrading the overall personality forming a unique icon in this competitive world.
- To provide greater opportunities in career and help them to face the challenges of the modern age., in short, to begin the journey of thousand sites with a single click.

EXTENSION LECTURES

The Department of Computer Science conducted an Extension Lecture on the topic “Memory Management in Operating Systems” for I year students on 6th of August 2022. Dr. Sara Ali, Associate Professor, Global Institute of Technology, and Adjunct Professor, Woxsen University was the Resource Person.

A Guest Lecture on Natural Language Processing was conducted by the Dept. for Final Year Data Science students on 15/7/23. Ms. Aparna Bulusu was the resource person.

The dept. of Computer Science organized an Extension Lecture on the topic “Linked List in Data Structures” on 17/08/2023 for II year students. M. Geetha, Lecturer in Computer Science, Telangana Social Welfare Residential Degree College for Women, Siddipet was the resource person.

Institution Innovation Council, Social Media Cell, Department of MCA and Computer Science organized one-day Webinar on "Accelerators/ Incubation-Opportunities for Students & Faculties - Early Stage Entrepreneurs" on 16th August 2023.
