BOND WITH THE BEST

## ELEMENTS - XIV

2018 - 2019

### PRINCIPAL'S PERSPECTIVE

It gives me immense pleasure to see the XV edition of ELEMENTS. Science teachers play an important role in nation building & elements has been playing a stellar role in showcasing the activities of Chemistry department of our college. my congratulations and best wishes to the department & the editors.

PEOPLE THROW STONES AT YOU AND YOU CONVERT THEM INTO MILESTONES  
- SACHIN TENDULKAR

### EDITOR'S STANDPOINT

Welcome to Elements, the annual newsletter about the Chemistry Department of St. Ann's College. If you are thinking that the Chemistry Department has named it Elements, then you are right. But it also conveys the various elements that gives the department a unique and central place in the college. We successfully completed this academic year with a huge unpredictable talent from the freshers. We hope you enjoy every stop on this tour.
