A. About IIC Institute

- **Vision/ Mission of IIC established at the Institute**

Vision: To create a platform for women innovators and future entrepreneurs who will bring in new era of financial and emotional independence.

Mission: To nurture the innovative skills of women so that they embark as a successful entrepreneur.

- **Journey of IIC established at the Institute**

Institution's Innovation Council (IIC) of St. Ann's was established in the year 2019 with **President, Vice-President, Convenor, 7 coordinators, 24 faculty members and 15 student members.** The council was upgraded in 2022 as per **IIC 5.0 MoE's Innovation Cell.** The main objective of IIC St. Ann's is to foster the culture of Innovation in the minds of undergraduate and postgraduate students. Since the inception it has been encouraging, inspire, nurture, mentoring students with potential entrepreneurship especially when they are in formative stage. It promotes innovation pro ecosystem in the campus, encourages students to participate in various ideathon competition, nurtures ideas that lead to entrepreneurship. In this process institute established network with other conventional institutes under technology exchange program.

Though the IIC of St. Ann's is still in budding stage ensures that it participates in all the activities declared by the MoE Innovation Cell.

St. Ann's is aspiring for multitudinous modes of innovation to make the campus entrepreneur and innovation enabled campus.

Apart from the above, IIC of college organizes many innovative, motivating, mentoring lectures to educate and address the needs of young innovators by inviting entrepreneurs, investors, professionals of great repute.

Both the students and the faculty associated with IIC have the privilege to participate in various innovation related initiatives and competitions organized by other IIC centers, participate in interactive sessions with renowned business leaders and top-notch academicians.

Experimentation with new and latest technologies that help in prototyping their ideas.

- **Diversified representation in the IIC established at the institute from industry, Interdisciplinary & Departments/ Units etc.**

K. Testimonials from IIC members and external about IIC institute and IIC of MoE's Innovation Cell.

IIC members: All the members feel that IIC @ St. Ann's adopted by the college in the year 2019 launched by MoE IIC is of great motivation to the faculty and students to think in the lines of innovation leading to startup. They are privileged to participate in various Innovation related initiatives and competitions organized by other IIC centers, participate in interactive sessions with renowned business leaders and top-notch academicians.

External about MoE IIC : A very good initiative taken up by Govt. of India for HEI to develop the culture of innovation, startup and entrepreneurship.

Organizing many Hackathons, Ideations, Ranking among the HEI to nurture the culture of innovation and entrepreneurship. Organizing training and mentoring sessions in I&E.

External about IIC @ St. Ann's: Systematically organize many activities as directed by MoE IIC including MIC, Self, Calendar for the benefit of staff and students. Ready to incubate innovative ideas of staff and students. Very resourceful
