

## Department of Computer Science

### **2024-2025 Activities**

1. The Department of Computer Science, in collaboration with Career Counselling Cell & NCC organized a seminar on "Empowering Tomorrow's Leaders" in representing Youth Skill Day on 15th July 2024. Mr.Rajesh Pershad, Assistant Professor & Human Potential Trainer, was the guest speaker for the event.

2. Conducted “Fix the Bug” competition on various languages in representing Debugging day on 09-09-2024. Total 65 teams have participated across various colleges.

#### Winners:

Name of the Program	Prize	Team No	Name of the Students	Name of the college
Programming in ‘C’	First Prize	21	Sudhiksha.P,II MSCS, Adeeba Akbar,II MSCS	St.Ann’s College for Women
	Second Prize	2	Shani Chauhan,III MSCS Mustafa Ali baig,III MSCS	St.Joseph’s College

<b>Python</b>	First Prize	62	B.Maneesha,III MSDS A.Manaswini,III MSDS	St. Ann's College for Women
	Second Prize	40	S.Prerana,III MSCS P.Manasa,III MSCS	St. Ann's College for Women
<b>Java</b>	First Prize	6	Nikitha,III MPCS, Shravanika,III MPCS	St. Ann's College for Women
	Second Prize	57	Hajra Fathima,MCA	St. Ann's College for Women
<b>SQL</b>	First Prize	24	S.Alisha ,III MECS, Vaishnavi,III MECS	St. Ann's College for Women
	Second Prize	5	Rabiya Amjad,III MPCS Ayesha Fatima Haneefa, III MPCS	St. Ann's College for Women

**3. The Department of Computer Science conducted a seminar for all the First year UG students on Programming Languages Showcase in representing “International Programmer’s Day” on 11-09-2024.**

**4. The Department of Computer Science, in collaboration with Manac Infotech Pvt. Ltd., organized an insightful seminar on "Application Development Using Java Tools" on 18th September 2024. The session was aimed at enhancing the coding skills of students in the realm of web development. Mr. Kishan, a seasoned software developer from Manac Infotech, was the guest speaker for the event.**

5. The Department of Computer Science in collaboration with ICT organized an insightful workshop on "Social Media Awareness" for auxiliary staff on October 25, 2024, led by Ms.Lavanya and Ms.Rajeswari, the session focused on empowering attendees with essential knowledge to navigate social media safely and effectively. Through interactive discussions and hands-on activities, participants gained valuable skills to enhance their digital literacy and recognize online risks. The workshop was well-received, fostering a supportive environment for learning and growth in today's digital landscape.

6. The Department of Computer Science organized the Byte By Byte Hunt competition on December 20, 2024, as part of the Annofesta events. A total of 12 teams from various Engineering and Non-Engineering colleges participated in the competition.

**7. GURU 2024, a National level fest in Guru Nanak university. With a theme of ignite, innovate and inspire, the events were conducted on 29th and 30th November, 2024. The students were also awarded.**

**8. The 48-hour Hackathon 2024 was jointly organized from 9th to 11th December 2024 by the Code for India Foundation, Edventure Park, and the Department of Computer Science. The event provided a platform for students to develop innovative tech solutions through intense coding, teamwork, and problem-solving. The students were also awarded with Prize money.**

**9. The Department of Computer Science organized a workshop on “Empowerment and Skill Building” for Non Teaching Staff . To Empower and enhance their skills contribute to overall institutional efficiency, improved service delivery, and professional growth**

**10. An interactive workshop was organized on 21st–22nd October 2024, focusing on hands-on coding and real-world applications. Students worked on projects like LoRa-based smart agriculture and automatic medicine reminders, Assisted by Mr. Mohammed Hamed Raza, Sr. PD Engineer, AR Designs, excellent faculty and experienced trainers**

**11. The Department of Computer Science in collaboration with Patna Women's College, Patna & Jaya Raj Annapackiam College for Women, Periyakulam has organized Tech Fiesta'24 - A National Level Virtual Tech Symposium from 5th February 2025 to 7th February 2025. This Fiesta included various Technical competetions such as Paper Presentations, Quiz, Logo Designing, Animation, Art from E- Waste, Software Development Ideathon. Around 400 students participated. St. Anns College For Women won the trophy for securing the highest number of I and II prizes in Tech-Fiesta competitions. The students efforts made the department and the college proud.**

**12. The Students from our institution participated in St. Joseph's Tech Titans Trivia, organized in collaboration with St. Joseph's College. The event featured a tech-based quiz, testing participants' knowledge of programming, emerging technologies, and industry trends, offering a great platform for learning and competition.**
