Our FOUNDER

MOTHER THATIPATRI GNANAMMA

1819 - 1874

Mother Gnanamma started her service as a humble widow with very little means, yet she had the courage and faith to dream of a different future—one where girls could receive the education they deserved. Her compassion for the poor, the orphaned, and the neglected girl child led to the founding of our Congregations and a mission that has touched countless lives. Even today, the institutions that bear her name carry forward her work—teaching, healing, and lifting up those in need. Her legacy lives on in every life shaped by the opportunities her vision made possible.

Academic Excellence, Skill Enhancement and Value Enrichment to help the girl student embark on life's journey as an empowered woman

1. Focus on new educational areas and learning outcomes
2. Broaden engagement with society and industry
3. Inculcate critical thinking, communication and creativity
4. Promote IT literacy through extensive use of technology
5. Promote student participation in internships, community service and international study programs
6. Facilitate global exchange initiatives and collaborations
7. Enhance life skills by providing value-based education
8. Work for a clean green campus
9. Ensure excellence through effective governance and quality frameworks
10. Enrich the campus life for a transforming and empowering experience

1. To promote academic excellence through the delivery of outstanding undergraduate and postgraduate education that is current, vibrant and responsive to the diverse needs of those it serves.
2. To offer multi-disciplinary and industry-oriented curricula coupled with diverse pedagogical approaches to foster research capabilities, employability and entrepreneurship.
3. To nurture a culture of inclusion and equity, integrating mind, body and spirit to help build ethically, morally and socially responsible citizens with a strong sense of self-worth.
4. To instill a sense of inquiry among students, inculcate critical and creative skills, encourage innovative and independent thinking and foster lifelong learning leading to true empowerment.

ABOUT THE COLLEGE

St. Ann's College for Women, an institution with a vision of academic excellence, skill enhancement and value enrichment, was established in 1983. The mission of the institution is to empower women through a rich and diversified curriculum, and developing in them high standards of integrity and a strong sense of personal accountability and civic responsibility.

St. Ann's College for Women, with its own distinct identity and traditions has been serving as the tower of learning for many generations. It has moulded the destiny of numerous young women for a better tomorrow. The college has emerged as a leading centre for teaching, learning, and research in the field of higher education with a vibrant campus culture.

The vision empowerment of women through education is being manifested with moving one step at a time, and punctuated by leaps. The college was accredited with an 'A' GRADE by NAAC (4th cycle) with a CGPA of 3.24/4. The other milestones are that the college enjoyed 'two cycles' of College with Potential for Excellence status by UGC. It has an active Institution's Innovation Council (IIC) by MoE, Govt. of India, which fosters Entrepreneurship among the student fraternity IIC of the college has received 3 stars. The college received the ISO certification 21001:2018 for providing Quality Educational Services and 14001:2015 for the Environment Management System.

FROM THE Principal's Desk

Dr. Sr. A. Vijaya Rani
Principal M.Sc., B.Ed., Ph.D.

Dear Students!

We are ready to welcome the class of 2026 to St. Ann's College for Women, a place of nurturing young adolescents to responsible adults! We acknowledge the intercession of our heavenly patron Smt. Thatipatri Gnanamma who believed "All odds, all challenges and all handicaps of life can be overcome with strong determination, persistent hard work, insurmountable patience and unshakeable tenacity". That's how we want you to prepare for the future.

At St. Ann's we believe in empowering women through education, skills and values. The empowered woman is powerful beyond measure, beautiful inside beyond description and powerful to reshape the world.

Dear students, Infuse your life with action. Don't wait for things to happen, Make it happen. Make your own future. No matter what has happened to you in the past or what is going on in your life right now, it has no power to keep you from having an amazing future if you stay focussed, work with determination and do your best.

You all have different dreams, different skill sets, different backgrounds, different ambitions, you're different people. It is our aspiration that St. Ann's students will continue to gain the necessary diversified knowledge, insight, skills, and experience to become leaders in their chosen fields. Your future is limitless!! Wishing you all the best!!

B.Com (Comp. Application)
2023-2026

St. Ann's College provides a supportive environment for learning and personal growth. The faculty are very encouraging and helpful. I feel proud to be a student here."

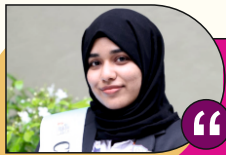

Ankitha Mohite
Bsc MECs III Yr
2023-2026

St. Ann's transformed me from an introvert into a confident individual. The supportive faculty helped me grow beyond academics. It will always feel like home to me.

Yempati Aarthi
BA PEP
2022-2025

My time at St. Ann's has been enriching, offering strong academics and personal growth. Leadership roles helped me build confidence and key skills. The support and values I gained here have shaped my future.

Shaista Azmath
MCA
2024-2026

Our college encourages students to explore their talents and step beyond academics through engaging activities and events. It helps in building confidence, leadership skills, and unforgettable memories.

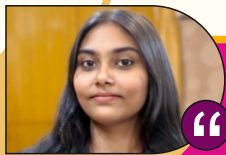

Chunchu Usha Sri
MCA
2024-2026

Our college encourages and values every student's ideas, inspiring creativity beyond academics. It provides numerous opportunities to learn, lead, and excel. These experiences have strengthened my confidence, leadership skills, and overall personality.

Madhavi
BA MJLP
2024-2027

As an active participant in extra-curriculars, St. Ann's College for Women has given me the freedom to grow, learn from mistakes, and succeed. The constant support from faculty and leadership has helped me build confidence and a dynamic portfolio, and I look forward to what lies ahead.

Aradhya Sahani
B.Sc (MSDs)
2023-2026

Studying at St. Ann's College for Women has been a rewarding experience. The supportive environment, dedicated faculty, and opportunities in academics and extracurricular activities have greatly contributed to my confidence, skills, and overall growth.

Humera Fatima
B.Sc. (GCM)
2023-2026

My journey at St. Ann's began unexpectedly but soon became truly meaningful. Through academics, labs, and skill-based courses, I gained knowledge and confidence. Serving in the Student Council and leading various clubs taught me responsibility and teamwork. I leave with gratitude, cherished memories, and confidence for the future.

B. Sai Pravallika
B.Sc MSDs
2023-2026

Being a student at St. Ann's College for Women has been a transformative experience. The supportive faculty, balanced focus on academics and extra-curriculars, and strong values have helped me grow, build confidence, and prepare for my future.

IGNOU STUDY CENTRE AT ST. ANN'S

The college has a fully approved functional IGNOU study center with the code -LSC 01162. The center is fully supported by qualified and experienced Coordinator, Assistant Coordinators, Academic Counsellors and auxiliary staff. Since the inception in 2018, contact classes and practical sessions are being conducted both in online and offline mode for IGNOU learners. Through IGNOU the following courses are being offered at our study centre from 2019.

1. M.Sc. in Dietetics and Food Service Management (MSCDFSM)
2. Diploma in Nutrition and Health Education (DNHE)
3. Certificate Course in Food and Nutrition (CFN)

NPTEL - SWAYAM

(National Program for technology Enhanced Learning-Study Web of Active-Learning for Young Aspiring Minds)

Our college has been identified as a local Chapter for NPTEL SWAYAM courses. These courses are offered online it free of cost for anyone to enroll and learn from. The courses are 4 weeks, 8 weeks and 12 weeks duration. SWAYAM Every year Single Point of Contact (SPOC) is identified as an active coordinator who along with the ICT team conducts various orientation programs and ensures maximum enrollment of students in NPTEL

The SWAYAM has taken up the initiative of translation of video lectures into Indian language and making PDF material available to reach out to Interior Rural India. The students have access to e-books.

The students and respective faculty members have been receiving Gold, Silver and Elite medals. This program has been facilitating online Faculty Development programs of one/two/three weeks equivalent to physical mode programs. Participated in Internshala Annual Ranking and the institution is ranked 192 amongst 1100 plus colleges across the country.

VIRTUAL LABORATORIES NODAL CENTRE

The institution has been identified as an active Nodal Centre for virtual laboratories in collaboration with International Institute of Information Technology, Hyderabad under Ministry of Education. The experiments performed by the labs enhanced the comprehensive power and enabled the students to virtually carry out the experiments by suitably changing the various parameters.

LEARNING ENVIRONMENT

The college is housed in a 4 acre campus with spacious, well-furnished lecture halls, ICT enabled classrooms and well-equipped laboratories. Modern state of the art computer centers are located in the UG and PG blocks. Language teaching is aided by well equipped language labs. Smart boards and LCDs add to the learning experience at St. Ann's. The new look seminar halls fully supported by the latest in audio and visual technology offer a conducive setting for the various seminars, guest lectures, workshops and other intellectual deliberations. The large acoustically equipped auditorium provides an ideal venue for the various events held in the college.

SAIF-St. Ann's Incubation Foundation

(A Non Profit Entity under Section-8 of Companies Act)

With the idea of developing a vibrant entrepreneurial ecosystem the college envisaged the establishment of St. Ann's Incubation Foundation, SAIF, under Section- 8 of companies Act and the institutional Innovation Council. Since its nascent beginning, the cell has been actively organizing relevant events to nurture entrepreneurial thinking skills in young minds. The Incubation center works in harnessing passions, skills, experience, knowledge and insights, resources and networks to spot and transform the new age skill sets to setup viable business ventures

AI TRAINING SESSIONS

"From Classrooms to Careers in AI"

St Ann's College for Women (Autonomous), Hyderabad, has been recognized by WeHub, Government of Telangana, as a Hub College for the AI Careers for Women program. This initiative brings together Microsoft, SAP, and Ministry of Skill Development and Entrepreneurship (MSDE), with Edunet Foundation as the implementation partner.

The program is designed to build a strong AI ecosystem for young women in higher education, focusing on creating an AI Alliance, enabling AI skills, facilitating AI-driven jobs and internships, and fostering innovation through real-world datasets and applications that drive economic empowerment.

Spanning across 8 states in India, the initiative aims to deliver a holistic AI transformation journey for women, preparing them for both current and emerging opportunities in the field.

The Center of Excellence at the college reflects a forward-looking commitment to empowering young women with advanced AI capabilities. Set up within the campus, it marks a significant step toward fostering innovation, leadership, and career readiness in emerging technologies, positioning students at the forefront of the AI landscape.

As part of this initiative, 130 final-year B.Sc. students underwent an intensive 240-hour on-campus training program. Delivered through a carefully designed curriculum, the training focused on bridging the gap between academia and industry by equipping students with practical AI skills, hands-on experience, and capabilities aligned with evolving industry demands.

CENTRES OF EXCELLENCE (COE)

SACRED St. Ann's Centre for Research and Development is an initiative towards promoting research culture among staff and students in the campus. It has ultramodern equipment, instruments, computational facilities, Inoculation chamber, licensed software for data analysis (SPSS), work stations and a research library. It aims to promote Interdisciplinary research through collaborations and joint work with other Institutions.

SAINT- St. Ann's Information & Communication Technology Centre (ICT CENTRE) A fully equipped air-conditioned ICT centre has been established with an objective to maintain the digital class rooms and enable the campus with internet connectivity. This centre caters to all the IT related activities of the institution.
